

Bimini Capital Management Announces Preliminary Results of Tender Offer

July 2, 2019

VERO BEACH, Fla., July 02, 2019 (GLOBE NEWSWIRE) -- Bimini Capital Management, Inc. (OTCQB: BMNM) ("Bimini Capital") today announced the preliminary results of its "modified Dutch auction" tender offer to purchase up to \$2.2 million in value of shares of its Class A common stock, par value \$0.001 per share (the "Class A Common Stock"), which expired at 5:00 P.M., New York City time, on July 1, 2019 (the "Offer").

Based on the preliminary count by Broadridge Corporate Issuer Solutions, Inc. ("Broadridge"), the depository for the Offer, a total of 2,685,144 shares of Class A Common Stock were properly tendered and not properly withdrawn at the purchase price of \$2.00 per share, including 1,502 shares that were tendered by notice of guaranteed delivery.

In accordance with the terms and conditions of the Offer, and based on the preliminary count by the depository, Bimini Capital expects to acquire approximately 1,100,000 shares of Class A Common Stock at a price of \$2.00 per share, for an aggregate cost of approximately \$2.2 million, excluding fees and expenses relating to the Offer. These shares represent approximately 8.7% percent of the shares of Class A Common Stock outstanding as of June 28, 2019. Based on these preliminary numbers, Bimini Capital anticipates that, following settlement of the Offer, it will have approximately 11,608,555 shares of Class A Common Stock outstanding.

Due to the oversubscription of the Offer, based on the preliminary count described above, Bimini Capital will accept for purchase on a pro rata basis approximately 41.0% of the shares of Class A Common Stock properly tendered and not properly withdrawn at the purchase price of \$2.00 per share by each tendering stockholder (other than "odd lot" holders, whose shares of Class A Common Stock will be purchased on a priority basis).

The number of shares of Class A Common Stock to be purchased and the purchase price are preliminary and subject to change. The preliminary information contained in this press release is subject to confirmation by the depository and is based on the assumption that all shares of Class A Common Stock tendered through notice of guaranteed delivery will be delivered within the two business day settlement period. The final number of shares of Class A Common Stock to be purchased and the final purchase price will be announced following the expiration of the guaranteed delivery period and completion by the depository of the confirmation process. Payment for the shares of Class A Common Stock accepted for purchase under the Offer, and return of all other shares tendered and not purchased, will occur promptly thereafter.

Stockholders who have questions or would like additional information about the Offer may contact Broadridge, the information agent for the Offer, toll-free at (855) 793-5068.

This press release is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell any shares of Class A Common Stock.
