

Bimini Capital Management Announces Final Results of Tender Offer

July 8, 2019

VERO BEACH, Fla., July 08, 2019 (GLOBE NEWSWIRE) -- Bimini Capital Management, Inc. (OTCQB: BMNM) ("Bimini Capital") today announced the final results of its "modified Dutch auction" tender offer to purchase up to \$2.2 million in value of shares of its Class A common stock, par value \$0.001 per share (the "Class A Common Stock"), which expired at 5:00 P.M., New York City time, on July 1, 2019 (the "Offer").

Bimini Capital accepted 1,100,000 shares of Class A Common Stock for purchase at a purchase price of \$2.00 per share, for an aggregate cost of approximately \$2.2 million, excluding fees and expenses relating to the Offer. The shares of Class A Common Stock accepted for purchase represent approximately 8.7% of Bimini Capital's total outstanding shares of Class A Common Stock as of June 28, 2019. Based on these final numbers, following settlement of the Offer, Bimini Capital will have approximately 11,608,555 shares of Class A Common Stock outstanding.

Payment for the shares of Class A Common Stock accepted for purchase under the Offer will occur promptly, in accordance with applicable law.

Due to the oversubscription of the Offer, based on the final count described above, Bimini Capital will accept for purchase on a pro rata basis approximately 40.7% of the shares of Class A Common Stock properly tendered and not properly withdrawn at the purchase price of \$2.00 per share by each tendering stockholder (other than "odd lot" holders, whose shares of Class A Common Stock will be purchased on a priority basis).

Stockholders who have questions or would like additional information about the Offer may contact Broadridge, the information agent for the Offer, toll-free at (855) 793-5068.

This press release is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell any shares of Class A Common Stock.
