## QUORUM AND VOTING

### Record Date; Quorum

The Board of Directors has fixed the close of business on January 28, 2005 as the record date (the "Record Date") for the Meeting. Only holders of Common Stock on the close of business on the Record Date are entitled to notice of, and to vote at, the Meeting and any adjournments and postponements thereof. The Common Stock is the only class of voting stock of the Company currently issued and outstanding which is entitled to vote at the Meeting. On the Record Date, there were 20,374,883 shares of Common Stock outstanding. Each holder of shares of Common Stock on the Record Date is entitled to cast one vote per share at the Meeting on each matter properly brought before the meeting, exercisable in person or by properly executed proxy.

The presence of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Meeting, in person or by properly executed proxy, is necessary to constitute a quorum at the Meeting. A quorum is necessary for any action to be taken at the Meeting. Shares of Common Stock represented at the Meeting in person or by properly executed proxy but not voted will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of determining the presence of a quorum.

### Votes Required for Approval

With respect to the Election Proposal, the ratification of Ernst & Young LLP as the Company's independent public accountants for the fiscal year ended December 31, 2005 and any other matters which properly come before the Meeting, pursuant to the Company's Articles of Amendment and Restatement (the "Charter"), the affirmative vote of a majority of the votes cast at the Meeting, assuming that the votes cast at the Meeting represent at least a majority of all of the outstanding shares of Common Stock entitled to vote at the Meeting, is required for approval. Cumulative voting is not permitted.

### Proxies; Abstentions; Broker Non-Votes

All shares of Common Stock represented by properly executed proxies received prior to or at the Meeting and not revoked will be voted in accordance with the instructions indicated in such proxies. If no instructions are given on a properly returned proxy, your proxy will be voted "**FOR**" election of each of the nominees listed under the Election Proposal, "**FOR**" the ratification of Ernst & Young LLP as the Company's independent public accountants for the fiscal year ended December 31, 2005 and, to the extent permitted by applicable rules of the Securities and Exchange Commission (the "SEC"), in accordance with the judgment of the persons voting the proxies upon such other matters as may come before the Meeting and any adjournment or postponement thereof.

Abstentions and broker non-votes are each included in the determination of the number of shares present and entitled to vote at the Meeting for purposes of determining a quorum but will not be counted as a vote cast. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Brokers generally have discretionary authority to vote on routine matters. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, the shares of Common Stock represented by valid Proxies that abstain with respect to any matter will not be counted as an affirmative vote in determining whether the requisite vote for the shares was cast in favor of that matter.

A shareholder may revoke his or her proxy at any time before it has been voted by delivering written notice to the Secretary of the Company at the offices of the Company set forth above, by

presenting a duly executed proxy bearing a later date or by voting in person at the Meeting; but mere attendance at the Meeting, without further action, will not revoke a proxy.

#### Other Business; Adjournments

The Board of Directors is not currently aware of any business to be acted upon at the Meeting other than as described herein. If other matters are properly brought before the Meeting, or any adjournment or postponement thereof, the persons appointed as proxies, to the extent permitted by applicable rules of the SEC, will have discretion to vote or act thereon according to their best judgment. Adjournments may be made for the purpose of, among other things, soliciting additional proxies. Any adjournment may be made from time to time by approval of the holders of a majority of the shares present in person or by proxy at the Meeting (whether or not a quorum exists) without further notice other than by an announcement made at the Meeting. If the Meeting is adjourned or postponed for any reason, all proxies will be voted at the reconvened Meeting in the same manner as such proxies would have been voted at the original convening of the Meeting (except for proxies that have, at that time, effectively been revoked or withdrawn). The Company does not currently intend to seek an adjournment of the Meeting.

#### Annual Report

The Company's 2004 Annual Report, including financial statements for the fiscal year ended December 31, 2004, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material. A copy of the Company's annual report filed with the SEC on Form 10-K, including the financial statements, is contained in the Annual Report and is available on the Company's website at [www.biminitreit.com](http://www.biminitreit.com).

### PROPOSAL NO. 1: ELECTION OF DIRECTORS

The Amended and Restated Bylaws of the Company provide for a Board of Directors of six members, which number may be altered by the affirmative vote of a majority of the entire Board of Directors to not more than 15, and not less than the minimum number then permitted by the Maryland General Corporation Law. The Board of Directors may fill a vacancy which results from the death, resignation or removal of a director or from an increase in the number of directors. Any director elected by the Board of Directors to fill a vacancy serves until the next annual meeting of stockholders and until his or her successor is duly elected and qualified. The Board of Directors has determined that four of the six current directors are and, assuming the election of all nominees, will continue to be "independent" within the meaning of applicable rules of the SEC and the New York Stock Exchange (the "NYSE").

Pursuant to the Charter, the members of the Board of Directors are divided into three classes which have staggered terms of office, so that the terms of office of directors of only one class expires at each annual meeting of stockholders and each director of that class is elected for a three-year term and until his or her successor is elected and duly qualified or until his or her earlier death, resignation or removal. The following table lists the name, class designation and age for each director:

Name	Class	Age
Kevin L. Bespolka	I	42
W. Christopher Mortenson	I	58
Robert E. Cauley	II	46
Buford H. Ortale	II	43
Maureen A. Hendricks	III	53
Jeffrey J. Zimmer	III	47

The term of office of each of the current two Class II directors (Robert E. Cauley and Buford H. Ortale) expires at the Meeting. The terms of office of the Class III directors will expire at the Annual Meeting of Stockholders to be held in 2006 and the terms of office of the Class I directors will expire at the Annual Meeting of Stockholders to be held in 2007.

The Board of Directors has nominated Messrs. Cauley and Ortale to stand for re-election as Class II directors, each for a three-year term expiring at the Annual Meeting of Stockholders to be held in 2008. In the event that such nominees are unable to serve or for good cause will not serve, the proxies will be voted at the Meeting for such other person or persons as the Board of Directors may recommend.

### Executive Employment Agreements

The Company has employment agreements with Mr. Zimmer and Mr. Cauley. The employment agreements provide for Mr. Zimmer to serve as the Company's President and Chief Executive Officer and Mr. Cauley to serve as the Company's Chief Investment Officer and Chief Financial Officer. These employment agreements require Messrs. Zimmer and Cauley to devote substantially full-time attention and time to the Company's affairs, but also permit them to devote time to their outside business interests. The employment agreements terminate in April 2007; provided, however, that the term shall automatically be extended for one-year periods unless, not later than six months prior to the termination of the existing term, either party provides written notice to the other party of its intent not to further extend the term. The employment agreements provide for an annual base salary of \$400,000 to Mr. Zimmer and \$267,500 to Mr. Cauley. Messrs. Zimmer and Cauley will be entitled to additional bonuses at the discretion of the compensation committee, which shall consider, among other things, whether completion of a capital raising event should result in the payment of a bonus. In addition, subject to approval by the compensation committee, Messrs. Zimmer and Cauley may participate in the

Company's employee benefit plans, including, but not limited to, the 2003 stock incentive plan. Messrs. Zimmer and Cauley are covered by medical, vision and dental insurance at the Company's expense.

Each employment agreement also provides that, at the Company's expense, the executive officer or his estate will be entitled to life insurance in an amount of at least \$2,500,000 for Mr. Zimmer and \$2,000,000 for Mr. Cauley and long-term disability insurance benefits, and to receive continued coverage under the Company's group health plans for a period of three years in the event of his death or disability.

Upon the termination of an executive officer's employment either by the Company for "cause" or by the executive officer without "good reason" during the term of his employment agreement, such executive officer will be entitled to receive his base salary and bonus accrued through the date of termination of the executive officer's employment. All unvested equity awards will be terminated.

Upon the termination of an executive officer's employment either by the Company without "cause" or by the executive officer for "good reason" or by the executive officer for any reason within three months after a "change of control", the executive officer will be entitled under his employment agreement to the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

- lump-sum cash payment equal to 300% of the sum of his then-current annual base salary plus average bonus over the prior three years;
- his prorated annual bonus for the year in which the termination occurs;
- all stock options held by the executive officer will become fully exercisable and will continue to be exercisable for their full terms and all restricted stock held by such executive officer will become fully vested;
- health benefits for three years following the executive officer's termination of employment at no cost to the executive officer, subject to reduction to the extent that the executive officer receives comparable benefits from a subsequent employer; and
- outplacement services at the Company's expense.

"Cause" under the employment agreements generally includes (i) conviction of felony or certain other crimes, (ii) willful misconduct, willful or gross neglect, fraud, misappropriation or embezzlement, (iii) repeated failure to adhere to certain directions, policies and practices or to devote required time and efforts to the Company, (iv) certain willful and continued failures to perform properly assigned duties, (v) material breach of certain restrictive covenants, or (vi) certain other breaches of the employment agreement. "Good reason" under the employment agreements generally includes (i) the material reduction of authority, duties and responsibilities, the failure to continue as a member of the Company's board (or as chairman of the board, as applicable), or the assignment of duties materially inconsistent with the executive's positions, (ii) a reduction in salary, (iii) the relocation of the executive's office to more than 25 miles from Vero Beach, Florida, (iv) the Company's failure to pay certain compensation, or (v) the Company's material and willful breach of the employment agreement. Conditions otherwise constituting cause or good reason may be subject to specified opportunities to cure. "Change of control" under the employment agreements generally includes (i) certain acquisitions of 30% or more of the voting power of the Company's capital stock by a person or group, (ii) certain consolidations or mergers where the Company's stockholders do not immediately thereafter own at least 50% of the voting power of the resulting company, (iii) certain sales or other transfers of substantially all of the Company's assets to a third party or the approval by the Company's stockholders of a plan of the Company's liquidation or dissolution, and (iv) certain significant changes in the composition of the Company's board of directors.

Under the employment agreements, the Company has agreed to make an additional tax gross-up payment to the executive officer if any amounts paid or payable to the executive officer would be subject to the excise tax imposed on certain so-called "excess parachute payments" under Section 4999 of the Internal Revenue Code. However, if a reduction in the payments and benefits of 10% or less would avoid the excise tax, then the payments and benefits will be reduced by such amount, and the Company will not be required to make the gross-up payment.

Each employment agreement also contains confidentiality provisions that apply indefinitely and non-compete provisions that include covenants not to: (i) conduct, directly or indirectly, any business involving mortgage REITs without the consent of the Company's board of directors, whether such business is conducted by him individually or as principal, partner, officer, director, consultant, employee, stockholder or manager of any person, partnership, corporation, limited liability company or any other entity; or (ii) own interests in any entity that is competitive, directly or indirectly, with any business carried on by the Company or its successors, subsidiaries and affiliates.

Each of Messrs. Zimmer and Cauley is bound by his non-competition covenant for so long as he is an officer of the Company and for a one-year period thereafter, unless his employment is terminated by the Company without "cause" or by him with "good reason" (in each case, as defined in his employment agreement) or by him for any reason after a "change in control" (as defined in his employment agreement) of the Company, in which case his covenant not to compete will lapse on the date of his termination.

#### **Compensation Committee Interlocks and Insider Participation**

During 2004, the members of the Compensation Committee included Mr. Bespolka, Ms. Hendricks and Mr. Mortenson. No member of the Compensation Committee is an employee of the Company. No executive officer of the Company serves as a director or member of the compensation committee of any entity that has one or more executive officers serving as a director of the Company.

#### **Report of the Compensation Committee on Executive Compensation**

The compensation committee of the Board of Directors of Bimini Mortgage Management has prepared the report below to give an overview of our compensation policies and to discuss the factors considered in awarding compensation to the Company's named executive officers in 2004.

Our overall philosophy is to implement a compensation program that attracts and retains well-qualified individuals and aligns their interests with those of the Company's stockholders. In structuring our executive compensation program for 2004, we worked extensively with independent compensation consultants and examined the compensation practices of comparable companies. We also took into account the increased responsibilities of the Company's executive officers as a result of the Company's Class A Common Stock becoming publicly traded in 2004.

##### *Executive Officer Compensation*

The duties of the compensation committee include reviewing the employment agreements proposed to be made to any executive officer, making recommendations to the Board with respect to the Company's incentive compensation plans and equity-based plans and recommending performance targets and compensation levels for the Company's executive officers. The compensation committee regularly reviews and considers the Company's performance and relative stockholder returns, the value of similar incentive awards to executive officers at comparable companies and the awards given to the executive officers in past years. In 2004, the Company's named executive officers were awarded a mixture of cash bonuses and equity-based awards that reflected their achievements in successfully raising capital, implementing the Company's investment strategy, completing an initial public offering and listing on the New York Stock Exchange, registering the shares of Class A Common Stock that

were sold in the Company's initial private placements and completing a follow-on offering of the Company's Class A Common Stock.

*Compensation of the Company's Chief Executive Officer*

Bimini Mortgage Management's Chief Executive Officer and President, Jeffrey J. Zimmer, entered into an employment agreement with the Company in December 2003. This agreement provided for an annual base salary of \$150,000 and was amended and restated in April 2004 to provide Mr. Zimmer with an annual base salary of \$400,000 upon the effectiveness of a registration statement for an initial public offering of the Company's Class A Common Stock. Accordingly, Mr. Zimmer's annual salary was increased to \$400,000 in September 2004 when the Company's registration statement was declared effective and its Class A Common Stock began trading on the New York Stock Exchange. Pursuant to his employment agreement, Mr. Zimmer received a one-time cash bonus of \$250,000 upon the effectiveness of the Company's resale registration statement in October 2004.

Subsequent to the Company's first full quarter of operations and after consultations with an independent compensation consultant, we approved the grant of 186,500 phantom shares to Mr. Zimmer under the Company's 2003 Long Term Incentive Compensation Program. Provided that Mr. Zimmer continues his employment with the Company, these shares vest quarterly in equal installments through November 2007. Additionally, we approved the implementation of the Company's 2004 Performance Bonus Plan under which Mr. Zimmer received a total cash bonus of \$298,917. This award was a formula bonus, as more fully described in the Proxy Statement under the heading "2004 Performance Bonus Plan." We believe that Mr. Zimmer's level of compensation is consistent with best practice in the industry, based on the results of operations in 2004, on compensation packages offered to other chief executive officers and input from independent compensation consultants.

*Compensation of the Company's Chief Investment Officer*

Bimini Mortgage Management's Chief Investment Officer, Robert E. Cauley, entered into an employment agreement with the Company in December 2003. This agreement provided for an annual base salary of \$150,000 and was amended and restated in April 2004 to provide Mr. Cauley with an annual base salary of \$267,500 upon the effectiveness of a registration statement for an initial public offering of the Company's Class A Common Stock. Accordingly, Mr. Cauley's annual salary was increased to \$267,500 in September 2004 when the Company's registration statement was declared effective and its Class A Common Stock began trading on the New York Stock Exchange. Pursuant to his employment agreement, Mr. Cauley received a one-time cash bonus of \$125,000 upon the effectiveness of the Company's resale registration statement in October 2004.

Subsequent to the Company's first full quarter of operations and after consultations with an independent compensation consultant, we approved the grant of 124,350 phantom shares to Mr. Cauley under the Company's 2003 Long Term Incentive Compensation Program. Provided that Mr. Cauley continues his employment with the Company, these shares vest quarterly in substantially equal installments through November 2007. Additionally, we approved the implementation of the Company's 2004 Performance Bonus Plan under which Mr. Cauley received a total cash bonus of \$199,278. This award was a formula bonus, as more fully described in the Proxy Statement under the heading "2004 Performance Bonus Plan." We believe that Mr. Cauley's level of compensation is consistent with best practice in the industry, based the results of operations in 2004, on compensation packages offered to other chief investment officers and input from independent compensation consultants.

## **2003 Long Term Incentive Compensation Plan**

The Company has adopted a 2003 Long Term Incentive Compensation Plan. The purpose of the 2003 Long Term Incentive Compensation Plan is to provide the Company with the flexibility to use stock options and other awards as part of an overall compensation package to provide performance-based compensation to attract and retain qualified personnel. The Company believes that awards under the 2003 Long Term Incentive Compensation Plan may serve to broaden the equity participation of key employees and further link the long-term interests of management and stockholders. As of December 31, 2004, the Company has awarded a total of 313,600 phantom shares to Messrs. Zimmer, Cauley and Haas and issued 3,259 shares of its Class A Common Stock to its outside directors under this plan.

The following table summarizes information, as of December 31, 2004, relating to the Company's equity compensation plans:

### Equity Compensation Plan Information

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in the second column)
Equity compensation plans approved by security holders	313,600(1)	N/A	3,683,141
Equity compensation plans not approved by security holders	N/A	N/A	N/A
Total	313,600	N/A	3,683,141

(1) Represents 313,600 shares of Class A Common Stock reserved for issuance upon conversion of phantom shares issued under the Company's 2003 Long Term Incentive Compensation Plan.

#### Administration

The 2003 Long Term Incentive Compensation Plan is administered by the compensation committee appointed by the Company's board of directors consisting of two or more non-employee directors, each of whom is intended to be, to the extent required by Rule 16b-3 under the Securities Exchange Act of 1934 and Section 162(m) of the Internal Revenue Code, a non-employee director under Rule 16b-3 and an outside director under Section 162(m), or if no committee exists, the board of directors. References below to the committee include a reference to the board for those periods in which the board is acting.

The compensation committee has the full authority to administer and interpret the 2003 Long Term Incentive Compensation Plan, to authorize the granting of awards, to determine the eligibility of an employee, director or consultant to receive an award, to determine the number of shares of Class A Common Stock to be covered by each award (subject to the individual participant limitations provided in the 2003 Long Term Incentive Compensation Plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the 2003 Long Term Incentive Compensation Plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the 2003 Long Term Incentive Compensation Plan or the administration or interpretation thereof. In the case of grants to directors, the grants shall, unless otherwise provided by the board of directors, be made and administered by the board of directors rather than the compensation committee. In connection with this authority, the compensation committee may establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The plan also provides for the possibility of a right of first refusal and certain repurchase rights.

#### Eligibility and Types of Awards

Key employees, directors and consultants are eligible to be granted stock options, restricted stock, phantom shares, dividend equivalent rights and other stock-based awards under the 2003 Long Term Incentive Compensation Plan.

## *Available Shares*

Subject to adjustment upon certain corporate transactions or events, a maximum of 4,000,000 shares of the Company's Class A Common Stock (but not more than 10% of the Class A Common Stock outstanding on the date of grant) may be subject to stock options, shares of restricted stock, phantom shares and dividend equivalent rights under the 2003 Long Term Incentive Compensation Plan. In addition, subject to adjustment upon certain corporate transactions or events, a participant may not receive options for more than 2,000,000 shares of the Company's Class A Common Stock over the life of the 2003 Long Term Incentive Compensation Plan. Any Class A Common Stock withheld or surrendered by plan participants in connection with the payment of an option exercise price or in connection with tax withholding will not count towards the share limitation and will be available for issuance under the 2003 Long Term Incentive Compensation Plan. If an option or other award granted under the 2003 Long Term Incentive Compensation Plan expires or terminates, the shares subject to any portion of the award that expires or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards. Unless previously terminated by the Company's board of directors, no new award may be granted under the 2003 Long Term Incentive Compensation Plan after the tenth anniversary of the date that such plan was initially approved by the Company's board of directors. Also, no award may be granted under the Company's 2003 Long Term Incentive Compensation Plan to any person who, assuming exercise of all options and payment of all awards held by such person would own or be deemed to own more than 9.8% of the outstanding shares of the Company's common stock.

## *Awards Under the Plan*

*Stock Options.* The terms of specific options, including whether options shall constitute "incentive stock options" for purposes of Section 422(b) of the Internal Revenue Code, shall be determined by the compensation committee. The exercise price of an option shall be determined by the compensation committee and reflected in the applicable award agreement. The exercise price with respect to incentive stock options may not be lower than 100% (110% in the case of an incentive stock option granted to a 10% stockholder, if permitted under the plan) of the fair market value of the Company's Class A Common Stock on the date of grant. Each option will be exercisable after the period or periods specified in the award agreement, which will generally not exceed ten years from the date of grant (or five years in the case of an incentive stock option granted to a 10% stockholder, if permitted under the plan). Options will be exercisable at such times and subject to such terms as determined by the compensation committee. Unless otherwise determined by the compensation committee at the time of grant, such stock options shall vest ratably over a five-year period beginning on the date of grant.

*Restricted Stock.* Restricted stock will be subject to restrictions (including, without limitation, any limitation on the right to vote a share of restricted stock or the right to receive any dividend or other right or property) as the compensation committee shall determine. Unless otherwise determined by the compensation committee at the time of grant, restricted stock awards shall vest over a three-year period. Unless otherwise determined by the compensation committee, provided the participant remains in the Company's service, each award will vest in three equal annual installments and 50% of each award is subject to achieving pre-determined financial hurdles in each of those three years. Except as otherwise determined by the compensation committee, upon a termination of employment or other service for cause or by the grantee for any reason during the applicable restriction period, all shares of restricted stock still subject to restrictions shall be forfeited to us.

*Phantom Shares.* Phantom shares will vest as provided in the agreements governing the applicable awards. A phantom share represents a right to receive the fair market value of a share of the Company's Class A Common Stock, or, if provided by the compensation committee, the right to receive the fair market value of a share of the Company's Class A Common Stock in excess of a base value established by the committee at the time of grant. Phantom shares are generally settled by transfer of shares of the Company's Class A Common Stock; however, the compensation committee may

determine at the time of grant that phantom shares are settled (i) in cash at the applicable fair market value, (ii) in cash or by transfer of shares at the election of the participant or (iii) in cash or by transfer of shares at our election. The committee may, in its discretion and under certain circumstances, permit a participant to receive as settlement of the phantom shares installments over a period not to exceed ten years. In addition, the compensation committee may establish a program under which distributions with respect to phantom shares may be deferred for additional periods as set forth in the preceding sentence. The Company has awarded 313,600 phantom shares under this plan, consisting of 186,500 shares to Mr. Zimmer, 124,350 shares to Mr. Cauley and 2,750 to Mr. Haas, which vest over time through November 15, 2007. Distributions in respect of phantom shares generally may be deferred at the election of the grantee.

*Dividend Equivalents.* A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of common stock) of dividends declared on shares of common stock otherwise subject to an award. The compensation committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of Class A Common Stock. The compensation committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

*Other Stock-Based Awards.* The 2003 Long Term Incentive Compensation Plan authorizes the granting of other awards based upon the Class A Common Stock (including the grant of securities convertible into Class A Common Stock and stock appreciation rights), and subject to terms and conditions established at the time of grant. As of the fourth quarter of 2004, the Company's outside directors receive all stock-based compensation under the 2003 Long Term Incentive Plan. In 2004, the Company issued a total of 3,259 shares of its Class A Common Stock to its outside directors under this plan.

#### *Change in Control*

Upon a change in control of the Company (as defined in the 2003 Long Term Incentive Compensation Plan), the compensation committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the compensation committee determines that the adjustments do not have an adverse economic impact on the participants (as determined at the time of the adjustments).

#### *Amendment and Termination*

The Company's board of directors may amend the 2003 Long Term Incentive Compensation Plan as it deems advisable, except that it may not amend the 2003 Long Term Incentive Compensation Plan in any way that would adversely affect a participant with respect to an award previously granted unless the amendment is required in order to comply with applicable laws. In addition, the Company's board of directors may not amend the 2003 Long Term Incentive Compensation Plan without shareholder approval if the amendment would cause the 2003 Long Term Incentive Compensation Plan to fail to comply with any requirement of applicable law in the absence of shareholder approval or applicable exchange or similar rules.

#### **2004 Performance Bonus Plan**

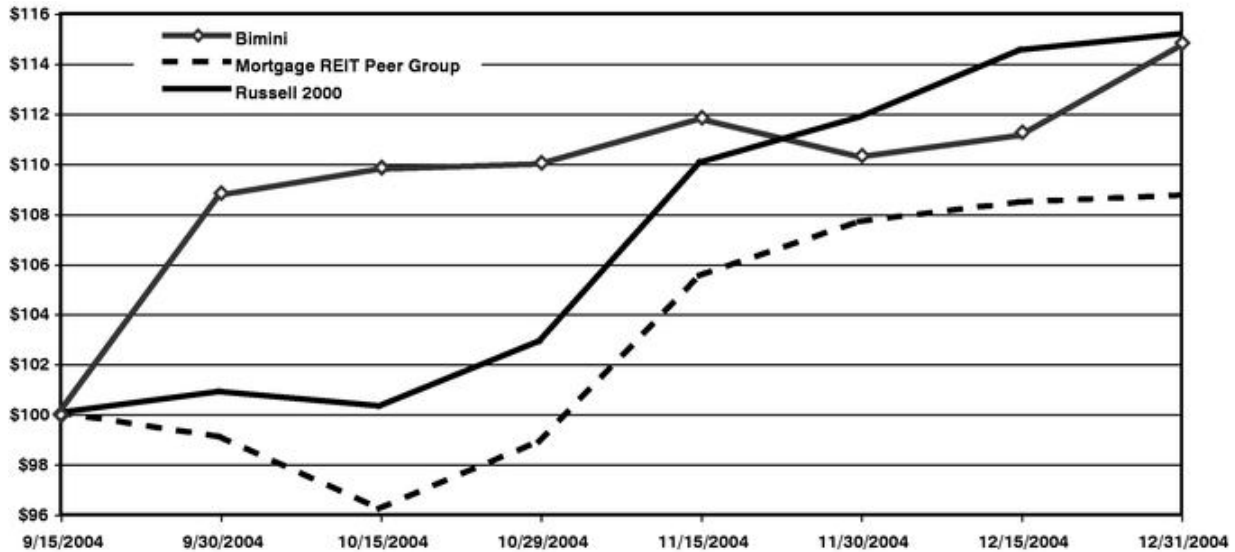

The compensation committee may grant two types of bonuses: (i) an annual supplemental bonus and (ii) a formula bonus. Unless otherwise provided for by the compensation committee, the formula bonus is only awarded if the Company's funds from operations exceed the product of (i) 25% of (A) the annualized 10-year U.S. Treasury rate for the applicable quarterly period, as determined by the committee, plus (B) 2.25% and (ii) the weighted average book value of the Company. To the extent this occurs, a certain percentage of the excess will be allocated among selected key employees as determined by the compensation committee. In addition, the fourth quarterly formula bonus for a year will be adjusted (but not to below zero) by the compensation committee so that the aggregate of the

four quarterly formula bonuses for the year reflect performance as determined on a full-year basis. Notwithstanding the foregoing, formula bonuses shall never cause general and administrative expenses to exceed 18 basis points of assets, as determined by the compensation committee. The compensation committee may decide whether to grant an annual supplemental bonus, in addition to the formula bonus, based on the performance of the Company as compared with its peer group and other material factors not otherwise taken into account for purposes of the formula bonus. No annual supplemental bonus shall exceed 100% of the key employee's aggregate salary for the year, except that, in the case of any employee with an employment agreement that contemplates bonus payments, as is the case with Messrs. Zimmer and Cauley, the compensation committee may provide, in its discretion, that bonuses in excess of 100% of the key employee's aggregate salary for the year may be paid to such employee. Further, in addition to the formula bonus and the annual supplemental bonus, any capital-raising bonus provided for under an employment agreement shall be payable as contemplated by the applicable employment agreement. The compensation committee may provide for partial bonus payments at target and other levels. The compensation committee may determine that bonuses shall be paid in cash or stock, or a combination thereof. Unless otherwise provided for by the compensation committee, (i) (A) formula bonuses shall, at the election of the employee, be paid in cash, stock (or other equity-based compensation) or any combination thereof, and (B) supplemental annual bonuses shall be paid 60% in cash and 40% in stock (or other equity-based compensation) and may be subject to various additional limitations, (ii) formula bonuses shall be vested as they are earned and the equity portion of the annual supplemental bonus shall vest over three years, (iii) subject to the governing plan and applicable award agreement, dividends and dividend equivalents shall be payable with respect to such stock (or other equity), and (iv) stock (or other stock-based compensation) will vest upon the occurrence of certain changes in control and certain terminations of employment. The compensation committee may provide for programs under which the payment of bonuses may be deferred at the election of the employee.

In 2004, Mr. Zimmer received an aggregate formula bonus of \$298,917 and Mr. Cauley received an aggregate formula bonus of \$199,278 under the 2004 Performance Bonus Plan.
